"Poet of Motion" Peter Davison performed at a free show at Ridgway Secondary School on Nov. 17.

While donations were accepted, Cimarron Cafe sponsored the event so that young families could attend for free. The Ouray County Performing Arts Guild, which put on the event, has expanded its lineup beyond classical music to include a wider range of art performances for the area's residents including jazz and dance shows. View highlights of Davison's performance online at www.ouraynews.com.
